

Hands on Feet

One-day Clinic on Natural Hoof Care Trimming
Saturday, October 24 and Sunday, October 25 2009

Holistic Hoof Care presents an all-day clinic to learn the basics of natural hoof care and maintenance hoof trimming for the horse owner (or anyone wanting to learn more about the what and how of barefoot hoof management). This clinic will focus on how to interpret aspects of the hoof form and health and get hands-on instruction and coaching on how to do basic hoof rasping.

Schedule

9:00 – 9:30	Sign-in
9:30 – 10:30	Introduction to natural hoof care
10:30 – 11:15	Evaluating healthy and unhealthy feet
11:15 – 12:00	Demonstration on trimming and use of tools and your body mechanics under a horse
12:00 – 12:30	Lunch break (Bring your own bag lunch)
12:30 - 3:00	Hands-on for participants (Volunteer horses will be available)
3:00 - 3:30	Wrap-up

Clinic fee: \$160.00 - due by October 16, 2009

Space is limited to 10 participants – please call or email to reserve your spot!

Clinic will be held at the Holistic Hoof Care barn at 626 N. Walnut Road, Kennett Square, PA 19348. Please call for directions if needed.
